Tomorrow's Global Leaders Today

ABOUT SALT UNIVERSITY COLLEGE

The SALT University College (SUC), formerly SALT University College, is an accredited tertiary institution located in Accra, Ghana. SALT University College was founded in 2003 as an affiliate of the Intercessors for Africa (IFA).

The institution was founded as a response to the call to train and equip leaders who will bring about transformation. We are committed to raising, training, and developing servant leaders for business and public life in Africa as well as the global marketplace.

To be a leading world-class higher education institution, recognised for excellence in teaching, learning, and research, and dedicated to developing principled and transformational leaders for Africa and the global community.

To advance Africa's human capital development through high-quality, values-based and scripture-informed academic programmes, research, and community engagement that foster ethical leadership, critical thinking, innovation, and societal transformation.

Integrity | Leadership | Stewardship

Scripturally Driven | Professionalism | Innovative | Responsive | Individual Growth | Teamwork

ACCREDITATION:

SALT University College was accredited by the Ghana Tertiary Education Commission in May 2018.

AFFILIATION:

SALT University College is affiliated to the University of Cape Coast, Ghana.

SALT University College is also the local licensed affiliate of the Joseph Business School in Chicago, USA.

Visit <https://saltuniversity.edu.gh/apply-now/> to complete the admissions forms OR call/WhatsApp +233 (0) 548359141

8. Aims of the Programme:

The SALT University College Doctor of Philosophy programme in International Relations and Diplomacy is an advanced research degree designed to prepare students for a career in international relations and diplomacy. It is also aimed at policy-makers and experts of International Affairs who require further training to address critical issues centred on diplomacy, foreign policy and international relations.

The aims of the programme include the following:

- i. Equipping students with in-depth knowledge about relevant past and current events in the field of International Relations and Diplomacy.

- ii. Students will be well groomed to be able to excel in the area of international policy decision making.
- iii. Students to participate in special seminars and colloquia that will provide them with exposure and experience in international relations and diplomatic issues.

9. Objectives of the Programme:

The objective of the programme is to develop and expand the capacity of candidates to engage in high-quality research and learning activities in the field of international relations and diplomacy. Additionally, students will be equipped to build successful careers in this field.

10. Student Learning Outcomes:

Upon successful completion of this course, students should have:

- (a) An understanding of the transformational leadership concept and principles.
- (b) Considered various ways of applying their leadership skills.
- (c) Reflected on their personal leadership styles, making changes as necessary.
- (d) Considered how to exert positive and effective leadership influence
- (e) Be empowered to engage the world as servant leaders with high intellect and capabilities

11. Components of the Programme:

Apart from the intense research component of the Ph.D. programme, below are some of the carefully selected courses students would be required to take:

- Leadership Dynamics: Servant & Transformational Leadership
- Theories of International Relations
- The Cold War Era
- Advanced Redemptive Ideology
- Regional Integration Theories
- Africa in International Relations
- International Law Perspectives
- Analysis of Foreign Policy
- 21st Century Diplomacy
- Regional Cooperation and Diplomacy
- Diplomatic Skills and Professional Development
- Economic Diplomacy
- Climate Diplomacy
- Security and Intelligence Diplomacy
- Contemporary Economic & Political Theory
- Analysis of AU Agenda 2063

12. Course Instructors

SALT University College takes keen interest in helping our students gain the solid theoretical foundation of their study programmes and also obtain a comprehensive understanding of the practical dimensions of that field of study or profession. Our faculty members are, therefore, drawn from both academia and industry.

The lecturers who teach in the PhD International Relations and Diplomacy programme include experienced and seasoned international relations specialists, diplomats, mediators, conflict resolution experts, business leaders, clergymen, and influential members of society who possess the requisite qualification and experience to expose students to the dynamics of the international community.

The university college's Mentorship Policy ensures that each student is also assigned a mentor throughout the period of their programme to guide them not only with their academic work, but also in all areas necessary to ensure that the student is prepared to fulfil his/her God-given mandate.
